HAYWARD FIELD ATHLETE MANUAL

Dear Athletes, Coaches, and Athlete Representatives:

On behalf of the Local Organizing Committee for the 2020 U.S. Olympic Team Trials – Track & Field, the cities of Eugene and Springfield, Lane County, and the State of Oregon, I am proud to welcome you to TrackTown USA and Hayward Field at the University of Oregon.

In partnership with USA Track & Field and the U.S. Olympic and Paralympic Committee, we have worked diligently to organize an event that prioritizes you as athletes. Please know that at every step of our planning process, we have collectively strived to prioritize your safety, safeguard your health, and maximize your ability to perform at your best. If there is anything we can do to make your experience here even better, just let us know.

Our volunteers, our fans, and our community will passionately celebrate every race, every jump, and every throw of this event. That celebration is not just about the end result, but about everything that has come before it - the countless hours, weeks, months, and years you have spent in pursuit of your goals.

The COVID-19 pandemic has made the last year and half difficult for many people. There is no doubt that the postponement of the Olympic Games disrupted the lives of athletes across the world. The resiliency and determination you have shown in navigating these challenges to arrive at the starting line of these Olympic Trials cannot be overstated. Thank you for your efforts and for representing our sport and our country so well.

Good luck as you follow your Olympic dreams. We will be cheering for you.

Sincerely,

Michael Reilly
CEO, TrackTown USA
